

**ANNUAL GENERAL and ANNUAL PARISHIONERS MEETINGS of  
BRETtenham AND KILVERSTONE PARISH COUNCIL  
held at the KILVERSTONE CHURCH CLUB  
Tuesday 13 May 2014 at 1930**

1. **Election of Chairman and Vice Chairman**                      The Chairman opened the meeting by welcoming those attending. He then asked for nominations to take the chair of the Parish Council. Councillor Holmes-Smith proposed and Councillor Wright seconded a motion that the Chairman be re-elected and this was carried unanimously.

**Resolved:** Councillor A M Poulter OBE be re-elected Chairman for the year ensuing.

He then asked for nominations for Vice Chairman. Councillor Herries proposed and Councillor Wright seconded a motion that the Vice Chairman be re-elected and this was carried unanimously.

**Resolved:** Councillor M Engwell OBE be re-elected Vice Chairman for the year ensuing.

2. **Questions from Electors**                      There were none.

The Chairman then asked Councillor Stephen Askew (Guiltcross Division) and councillor Ellen Jolly (Harling and Heathlands Ward) to present their annual reports, copies of which will be placed on the PC web site.

After their reports there was a more general discussion on some local issues:

- The road through Rushford (C147) is a concern to local residents in terms of speed volume and weight. Following the damage to Rushford Bridge, it was agreed there was a window of opportunity to gather local views about the best measures to seek from NCC to ameliorate these concerns and it was agreed to circulate a questionnaire with yes/no answers and submit the concensus through our NCC Councillor to the Highways Authority for consideration.
- It was noted that there was a planning application to erect a mast to provide super-fast broad band to the adjacent area, an ability open to churches. The Chairman undertook to brief both the Diocese and Stephen Askew on the possibilities being presented in the gaps left by the NCC/BT initiative.
- The possibilities of visits to Recycling Centres was discussed and it was agreed this move by NCC should be resisted as waste collection and disposal is the responsibility of both NCC and BDC and that the community was paying considerable sums in council tax and this would inevitably increase fly tipping; this is already a problem in Arlington Way and the Chairman agreed to notify the relevant authorities. It was noted that BDC teams do a very considerable, helpful and good job in clearing up fly tipping.
- It was agreed that the PC would place Stephen Askew's regular report to his Division on the PC web site.

3. **Attendance**                      Apologies had been received from Councillor George Brown, Councillor Chapman-Allen BDC, and PCSO Helen Maxwell (Attleborough Safer Neighbourhood Team).

The following were present:

Councillors Poulter, Engwell, Connolly, Homes-Smith, Herries and Wright.

The following were in attendance:

Councillor Ellen Jolly, BDC; Councillor Stephen Askew (NCC); and Mrs Carole Herries, Internal Auditor

Parishioners: Mr Wixey

4. **Any Declared Matters of Urgent Business** There were none
5. **Any Declarations of Interest** Councillor Herries declared an interest in Item 10.
6. **Minutes of Meeting of 13 May 14** These had been circulated previously and were agreed and duly signed by the Chairman.
7. **Matters Arising** **Joint Neighbourhood Plan** The Chairman reported the joint statement and map had been lodged with BDC by the Chairman of Croxton PC as agreed at the last meeting. The consultation period ends 21 May 14 after which it will be considered by BDC Cabinet on 1 July. The Chairman then explained the importance of the Joint Plan in terms of delivering the best outcomes for the communities of both PCs. He suggested the Plan should become a *Neighbourhood Development Plan* and establish general planning policies for the development and use of land in a neighbourhood, like:

- where new homes and offices should be built
- what they should look like

The plan can be detailed or general, depending what local people want. Neighbourhood plans allow local people to get the right type of development for their community, but the plans must still meet the needs of the wider area. In most cases we expect this will mean that neighbourhood plans will have to take into account the local council's assessment of housing and other development needs in the area. Further, PCs with a neighbourhood plan will receive 25% of any CIL arising from developments in their area compared to parishes without a neighbourhood plan who will receive 15%.

The Chairman then reported that the plan will also support the new Forest Ward, presently being proposed by LGBCE. However, these 2 items (Joint Neighbourhood Plan and new proposed Forest Ward) developments seem to have sparked Thetford Town Council seeking a governance review. Any review would be conducted by BDC through the General Purposes Committee, either TTC having obtained a poll of 10% support of its electorate or by the GPC agreeing to one. In addition, TTC has approached both PCs to join a 3 way working group to review the issues involved. However, the GPC has said<sup>1</sup> that there will be a district wide governance review probably after the 2015 local elections but before the mandatory 12 – 15 span after the last review in 2002 expires. The Chairman then sought views of the PC. It was agreed that the PC should not join such a working group but concentrate on the development of the Joint Neighbourhood Plan.

The Chairman suggested the Plan should lead to a single joint Development Plan and that consultation would be a key part in this work. He suggested a joint web site should be established for this purpose and that a Working party should be formed initially to take this forward. He suggested 2 members for each PC and that £1,000 be allocated to the web site and other consultation avenues. Councillor Herries agreed to join the Chairman for the B&K PC side. This course was agreed and Councillor Herries proposed and Councillor Engwell seconded a motion that the PC develops a Joint Neighbourhood Plan with Croxton PC, with the Chairmen and one Councillor for each PC and that B&K PC allocates a matched [by Croxton PC] £1,000 to the project. This was agreed unanimously.

**Resolved:** The PC, in conjunction with Croxton PC, develops a Joint Neighbourhood Plan utilising the established joint working group and that a [matched] £1,000 be allocated to the project

12. **Agree Annual Accounts** The Chairman reported he had circulated the accounts which had been reviewed by the Internal Auditor. He concluded that the PC had a closing balance of £25,558.35 the end of the last financial year (31 March 2014) and assets worth £11,279 at replacement value. Of the closing balance, the PC had earmarked reserves of £21,500.

He added the dates for submitting the Annual Return to Mazaars (External Auditors) is 4 Jul 14, having been approved by the PC by 30 Jun 14; the PC accounts will then be available for public view for 21 working days by 21 Jul 14.

The Chairman then reminded the PC that the Annual Return be completed on the basis of the accounts presented, signed by the Internal Auditor, Councillor Engwell and the Chairman as RFO, and then submitted to Mazaars the External Auditors. This was agreed.

Councillor Engwell proposed and Councillor Holmes-Smith seconded a motion that the accounts for FY 13/14 be accepted as presented and that they are used to inform the Annual Return.

**Resolved:** Accounts for FY 2013/14 be agreed (published in the Annual Report) and used to complete the Annual Return.

13. **Chairman's draft Annual Report** Following on from the previous item, the Chairman asked if the annual report, which had been circulated previously, was agreed. Having received agreement he said it would be attached to the minutes and then asked if it were formally adopted. Councillor Wright proposed and Councillor Engwell seconded that the Annual Report be adopted.

**Resolved:** The 2013 Annual Report be adopted.

14. **Planning** The Chairman reported that there were 2 planning items, one approval and one application:
- a. **3PL/2014/0401/F** Installation of 30m lattice tower to supply super-fast broadband to the local area. The PC agreed to make "no comment".
  - b. **3/PL/2014/0146./CU** Change of use of existing suite on Kilverstone Estate to a veterinary surgery. Application approved.
15. **Moving Thetford Forward (MTF) Update** The Chairman reported that since he had attended the MTF Board on 11 Apr 14 and apart from the Riverside Walk (see Item 16 below) there was nothing else of significance to report. Councillor Connolly reported work on the new bus station would complete in March 20 15, and the Riverside Development would then start. The revised TOR for the Board are being developed to coincide with the end of the Growth Point Status funding in 2015. The outline planning application for the SUE (3PL/2011/0805/0) has been granted.
16. **Riverside Walk Update** Councillor Engwell reported that clarification of the Abbey Homes offer to transfer the land between the River Thet and Arlington Way to the PC is still awaited. As was reported at previous meetings, in their letter, dated 17 Jan 14, they state they are endeavouring to acquire a definitive plan of the area from their solicitors which they would forward to us as soon as they are able. Councillor Engwell went on to report he had recently sent a further email and letter to Abbey Homes requesting this information.

As previously reported, Mr Jeff Redgrave, Countryside Management Services, is working to produce a detailed project plan for comprehensive, comparable, quotations to be provided. Mr Redgrave also needs the information from Abbey Homes. Meanwhile, he has been working with Mr Chris Gregory of the BTO to obtain suitably detailed mapping of the area but the maps available from the BTO are not suitable, so Mr Redgrave will need to source suitable mapping on which to depict the proposed path. Mr Redgrave and Councillor Engwell will arrange a further meeting in the next few weeks to go over the details of the project, including mapping and surface materials to be used.

17. **Kilverstone Alms Houses Update** The Chairman reported the land registration was now complete and that he had asked the PC's Solicitor to progress the amendment to the Trust deed and transfer of Trusteeship to the PC.

18. **Reports by Members**

b. **Community Safety** The minutes of the Safer Neighbourhood Action Panel (SNAP) meeting held on 6 May 14 have been received and priorities for this quarter are:

**PARISH COUNCIL**  
**ANNUAL REPORT**

**2013 - 2014**

**CHAIRMAN'S REPORT**

Over the past year, the Parish Council has continued to be closely involved with Moving Thetford Forward, the programme aimed at delivering the regeneration of the town of Thetford and the provision of an additional 5000 new homes. The developers have made an outline planning application for these new homes in the Sustainable Urban Extension, which has been granted. The Parish Council continues to push for the MTF Board to remain in existence to coordinate the delivery of the Suburban Extension and Thetford master-plans.

The Parish Council has continued to monitor activity in the Parish Council's area to support the interests of electors, particularly for planning applications. It is however becoming clear that the increasing volume of traffic on the small rural roads is a problem that may well be exacerbated by the advent of 2200 new homes in Kilverstone under the MTF Programme. The present problems surround damage to verges caused by traffic trying to pass oncoming vehicles and the speed of some motorists. The Parish Council continues to liaise with the Highways Authority to try and alleviate damage as it arises and has undertaken a traffic survey in Rushford; liaison with the Safer Neighbourhood Team continues to try and encourage motorists to adhere to speed limits.

The Parish Council has also continued to support the Safer Neighbourhood Action Panel as part of the Attleborough Safer Neighbourhood area in which the Parish Council sits. Recorded crime has remained at an extremely low level and the reduction of anti-social behaviour and speeding in rural villages have been the focus of work.

The Parish Council has continued to engage with CoopHomes to transfer the trusteeship to the Council but delays with land registration have taken a long time to resolve. However, the land is now registered and the transfer to the Council is now proceeding but it is believed the trust fund has been significantly depleted by the land registration process. Kilverstone Estate has agreed to take on the management of the site and the 2 homes but allocation of the homes remains to be resolved

The Parish Council has earmarked funds for and is working towards the development of a riverside walk along the River Thet between Arlington Way and Nuns' Bridges. The new route will be a permissive path, not a public right of way, and it is our intention for it to be accessible by pedestrians and wheelchair users, but not cyclists. A cycle route linking Arlington Way to Nuns' Bridges already exists as part of one of the 'Thetford Loops'. The project is supported by the MTF Board which has committed £20,000 towards the costs.

Changes to the Local Council Tax Support Scheme in successive tax years has resulted in the precept for the forthcoming year to be marginally [£6] higher than that set by the Council and this taken in with the reduction last year and other changes to the council tax base has resulted in an apparent increase of 3.8% in Parish Council precept.
