

# Launch of Breckland Dog Walkers

SUNDAY 26  
NOVEMBER AT  
10AM

During the walk a commemorative bench will be unveiled for the late Peter Wrighton from Banham, who sadly lost his life, whilst walking the heath with his two beloved dogs.

The walk will take place at Gate 79 along the Gasthorpe Road down from the Five Ways crossroads at East Harling, onto a road also known as The Street.

The idea of the group is to get together dogs and their owners, who enjoy walking in the lovely Breckland woods and heaths and who would like to make new friends or simply have some company on your walk.

Refreshments will be available for both four legged and two legged walkers.

The group will be set up and run by local residents using social media and other resources to arrange for regular or ad hoc dog walks around the area.
