Message from Inspector Jo Walmsley

I wish you all a very Happy New Year and I hope you had a peaceful and enjoyable festive period.

With officers from a variety of departments including front line response, Safer Neighbourhood Beat Managers and specialist departments including the proactive Neighbourhood Policing Team and detectives in the Criminal Investigation Department we continue to provide a 24 hour emergency service as well as visible community engagement and policing. That said, it is unfortunate that at this time of the year we often see a rise in opportunist theft and with the Christmas delivery of valuable toys and gadgets such as bikes and electrical devices I would like to take this opportunity to remind you to take crime prevention steps such as marking your property and noting down serial numbers which will assist in the return of the items to you should you be unfortunate enough to lose or have them stolen.

What is Happening In Your Area

Your local Beat Managers have been busy this month assisting colleagues in CID and the Neighbourhood Policing Team. The work has led to a successful of theft act warrant with a male being arrested and charged for a recent spate of burglaries in the Woodlands area of town. The male has since been remanded in custody and is awaiting sentencing having plead guilty. Officers have also charged and remanded in custody a prolific shoplifter for several offences from supermarkets in the town who received a 12 week custodial sentence. As part of a separate burglary series on the Abbey Estate we assisted our NPT colleagues in the arrest of a male and search of his property retrieving multiple items suspected of being stolen from a number of houses in the area. Additionally, we have continued our patrols of the town and dealt with several street drinkers reporting one for breaching his Criminal Behaviour Order in the process. Finally, we were pleased to attend the recent Safer Thetford Action Group Meeting where we gave a presentation on awareness around County Lines and the signs to look out for. If you are concerned about drug use in your area or have information please pass this onto us by either calling 101, via our website or anonymously at CrimeStoppers.
